633-1

"Nonmedical out-of-home care" is a protective living arrangement outside the individual's own home where, as a minimum, he/she receives board, room, and personal nonmedical care and supervision related to his/her individual needs. (§46-140.1)

"Care and supervision" in a nonmedical out-of-home care facility includes assistance in dressing, grooming, bathing, and other hygiene; assistance with taking, storing, and distributing medications; arrangement of and assistance with medical and dental care; maintenance of house rules and of client cash resources; supervision of schedules; monitoring food intake and special diets. (Handbook §46-140.2)

634-1

State law provides that family maintenance services shall be provided or arranged for by County Welfare Department staff in order to maintain the child in his or her own home. Such services shall be limited to six months and may be extended for two three-month periods if it can be shown that the objectives of the service plan can be achieved within the extended time periods. Such services are available, without regard to income, and shall only be provided to:

(a) Families whose child has been adjudicated a dependent of the court and the court has ordered the county to supervise while the child remains in the child's own home; and

(b) Families whose child is in potential danger of abuse, neglect, or exploitation, who are willing to accept services and participate in corrective efforts, and where it is safe for the child to remain in the child's own home only with the provision of services;

(c) Families in which the child is in the care of a previously noncustodial parent, under the supervision of the juvenile court.

(Welfare and Institutions Code §16506)

634-2

State law provides that family maintenance services shall include but are not limited to counseling, emergency shelter care, temporary in-home caretakers, out-of-home respite care, teaching and demonstrating homemakers, parenting training and transportation. (Welfare and Institutions Code §16506.1)

634-3

When the child is subject to out-of-home placement, there shall be no unsupervised visits if the child has been removed due to a finding of "severe physical abuse" under Welfare and Institutions Code §300(e). (§31-340.1)

634-3A

When the child is subject to out-of-home placement, the social worker shall arrange for visits between the child and the parent/guardian named in the case plan at least once each calendar month for children receiving family reunification services.

This once-per-month visitation is not required when there is a court-supervised case providing for a specific visitation plan, or when the county deputy director has approved a specific visitation plan in a voluntary case. In these two situations, there must still be a visit arranged by the social worker between the child and parent/guardian at least once every six consecutive months. (§§31-340.2-.4)

634-4

State law provides that where a minor has been placed pursuant to an order of the Juvenile Court, the court shall order the probation officer to provide child welfare services to the minor and the minor's parents or guardians for the purpose of facilitating reunification of the family within a maximum time period not to exceed 12 months. When counseling or other treatment services are ordered, the parent shall be ordered to participate in those services, unless the parent's participation is deemed by the court to be inappropriate or potentially detrimental to the child. (Welfare and Institutions Code (W&IC) §361.5(a))

634-5

The county shall cease reporting a case as receiving family reunification services when the child is a dependent of the court and:

- (1) The court dismisses the dependency;
- (2) The court has ordered that family maintenance or permanent placement services be provided;
- (3) The court declares the child is emancipated;
- (4) The child reaches age 18, or is no longer eligible to receive foster care, whichever occurs later;

- (5) The statutory time limit of 18 months has expired;
- (6) The whereabouts of the child and/or family are unknown;
- (7) The child dies.

(§31-088.2)

634-6

Except as provided in Welfare and Institutions Code (W&IC) §828, a petition filed in any Juvenile Court proceeding, reports of the probation officer, and all other documents filed in any such case or made available to the probation officer in making his or her report, or to the judge, referee or other hearing officer, and thereafter retained by the probation officer, judge, referee or other hearing officer, may be inspected only by court personnel, the minor who is the subject of the proceedings, his or her parents or guardian, the attorneys for such parties, and such other persons as may be designated by court order of the judge of the Juvenile Court upon filing a petition therefor. (W&IC §827(a))

634-7

Any order made by the Juvenile Court in the case of any person subject to its jurisdiction may at any time be changed, modified or set aside, as the judge deems meet and proper, subject to such procedural requirements as are imposed by this article. (Welfare and Institutions Code (W&IC) §775)

No order changing, modifying, or setting aside a previous order of the Juvenile Court shall be made either in chambers, or otherwise, unless prior notice of the application therefore has been given by the judge or the clerk of the court to the probation officer and prosecuting attorney and to the minor's counsel of record, or, if there is no counsel of record, to the minor and his parent or guardian. (W&IC §776)

634-8

The Juvenile Court may not give total discretion to the social services agency to determine whether or not visitation occurs, but a court order, allowing visitation at the discretion of the agency and the dependent minor(s), is proper. (*In re Danielle W.* (1989) 207 Cal.App.3d 1227, 255 Cal.Rptr. 344)

When the trial court delegated complete and total power to the State Department of Social Services to determine visitation, the court's delegation was improper. (*In re Jennifer G.* (1990) 221 Cal.App.3d 752, 270 Cal.Rptr 326)

634-9

For CalWORKs (formerly AFDC) eligibility purposes, a "minor parent" is defined as a parent or pregnant woman who is less than 18 years of age. (§80-301m.(3)) For purposes of §89-201, which implements the CalWORKs Teen Pregnancy Disincentive plan set forth in W&IC §11254, a "minor parent" is a never-married minor, under the age of 18, who is pregnant or has a dependent child in his/her care. (§89-201.1) And for purposes of

SHD Paraphrased Regulations - Social Services

630 Other Services

the Child Welfare Services program, a "minor parent" is defined as anyone under the age of 18 who is either pregnant or the custodial parent of a child and who has never been married. (§31-002(m)(3))

634-10

Except when the minor turns 18-years-old or refuses Minor Parent Services (MPS), counties must provide MPS to minor parents (as defined in §31-002(m)(3)) and their children referred, and who meet an exemption per W&IC §11254(b), the Teen Pregnancy Disincentive, when a CWS social worker has determined that the minor parent is able to live independently. (§31-530.24; Handbook §31-530.21; W&IC§16506(d))
